7A,9A Cross Vadavoor Street , Thillai Nagar Trichy

SKILLS

- Auto cad
- Solid works
- Catia

LANGUAGES

- English
- Tamil

WORKSHOP

Attended a Technical Work shop That provides hands - on training , pratical demonstrations and industry oriented knowledge.

- Solid works
- 3D printing
- Tekla steel structures steel detailing

PROFILE

To start a professional career in manufacturing, design, production, or quality engineering, where I can apply my technical skills, learn industry best practices, and contribute to organizational growth. Known for a positive attitude, quick learning ability, and strong problem-solving skills.

PROJECTS

Character of Magnesium composites by powder metallurgy Technique

- Fabricated magnesium composites using powder metallurgy techniques.
- Studied the effects of reinforcement type, sintering temperature, and compaction pressure.
- Evaluated microstructure, mechanical properties, and corrosion resistance.

COURSES

- Solid works - Completed NDT Level II Certifications
- penetrant testing
- Magnetic particle Testing
- ultrasonic Testing
- Radiography Testing

EDUCATION

Bachelor of Engineering - Mechinical 2021-2025
K.RAMKRISNAN COLLEGE OF ENGINEERING
GPA: 7.3 / 10.0

HSC 2020-2021
KAP VISWNATHAN HIGHER SECONDARY SCHOOL
Percentage : 75%

SSLC 2018-2019
ST.JAMES MATRICULATION HIGHER SECONDARY SCHOOL
Percentage : 63.2%
